Allen and I got married there on the 2nd October 2009 and I just had to email and say it was a fantastic day.

The Celtic Ross really met and exceeded our expectations, everything was wonderful, this is down to such a beautiful hotel and setting and all the staff we dealt with were wonderful. This was said to me aswell by our guests how nice the staff were and how good the food was.

We had a wonderful wedding day there and weekend and we were blessed with such beautiful weather, an added bonus!

Again a big thank you to Christopher, for putting up with all my emails beforehand, and to Steven and all the other staff that did an excellent job on the day and all weekend.

Many many thanks,

Louise and Allen Sheane

I would just like to extend my thanks to the entire staff for such a wonderful day. The weather was awful, but it didn't matter as all the guests were happy inside the hotel. Everything was first class - from the food to the accommodation, the surroundings to the service. The staff were friendly and courteous, and couldn't do enough for us. Thank you all very much for making it such an enjoyable day. I know Geraldine and Martin (still on honeymoon) thoroughly enjoyed their big day. Well done on your professionalism. I will be highly recommending the Celtic Ross to other people.

Well done to you all.
